

At SG-Associates, we are committed to ensuring that every merchant feels supported, valued, and empowered.

We believe in transparent, customer-centric solutions that go beyond transactions. We believe your success is our success.

Here is how we protect your rights as a valued partner:

powered by **choice**

No Nickel & Diming:

We provide clear and transparent pricing. Say goodbye to hidden fees and unexpected charges.

Personalized Support:

We provide dedicated support from a team that understands your unique business needs.

Tailored Solutions:

We provide custom-tailored solutions that adapt and grow with your business, ensuring you always have the tools you need.

Empowering Technology:

We provide industry leading technology that simplifies payment processing and enhances customer experiences.

Clear Communication:

We provide the right to open, honest, and proactive communication, keeping you informed every step of the way.

Merchant
BILL OF RIGHTS

Future -Forward Innovation:

We provide access to the latest industry innovations, positioning your business for success in a rapidly evolving landscape.

Security & Compliance:

We provide robust security measures and compliance standards, safeguarding your business and customer data.

Proactive Savings:

We provide the right to cost-saving solutions and strategies designed to optimize your bottom line.

Community & Collaboration:

We act as part of a community of like-minded businesses, with opportunities for networking and shared insights.

Trust & Reliability:

We act as a partner that has your back, providing reliable services and unwavering support.

We're dedicated to upholding these rights and ensuring you experience the full benefits of our partnership.
